Declaration of SKG-IKOB

This certificate applies to the construction product

HANDLES

as specified in the attached appendix placed on the market under the name or trade mark of the holder of this certificate and produced by the holder of this certificate or for the holder of this certificate in the manufacturing plant(s) if mentioned above.

The product is subjected to the Internal Quality System (IQS) of the holder of this certificate with respect to the model specifications and product designations. SKG-IKOB issues this certificate of conformity of the product based on:

- I Initial Type Testing of the product;
- II Initial inspection of the manufacturing plant and the Internal Quality System (IQS) according the requirements of the SKG-IKOB Guideline for a Certificate of conformity and the standard as mentioned beneath;
- III Continuous surveillance, assessment and evaluation of the Internal Quality System (IQS) according the requirements of the SKG-IKOB Guideline for a Certificate of conformity and the standard as mentioned beneath.

This certificate attests that products, produced by or on behalf of the holder of this certificate, delivered under type- and/or article number as mentioned in the annex meet the classification(s) according to:

EN 1906:2012

This certificate was first issued on 22-03-2013 and will remain valid until the date as mentioned at this certificate provided that the test methods and/or factory production control requirements included in the standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

For SKG-IKOB
